Clinical Trials provides support to Investigators, Research Nurses, and Study Staff at the Colleges of Medicine (Tucson & Phoenix), Pharmacy, Nursing, and Public Health. Our team of experienced and knowledgeable Research Administrators and Coordinators can assist you with all aspects of Clinical Trials from feasibility through closure!

[Click here](#) for a checklist and more information about approvals you may need to initiate your project, and check out the [Coordinator Corner](#) for additional resources and tools!

Announcements

OnCore UAHS RA Sign-off Workflow Change:

Our office is updating the OnCore UAHS RA Sign-off workflow to have study calendars built upon Coverage Analysis (CA) completion.

This will allow for study teams to validate calendars earlier in the process, so calendars are ready to use once a study is open to accrual.

Requirements for OnCore UAHS RA Sign-off include:

- IRB approval
- Final ICF upload
- Budget (as applicable)
- Fully executed contract (as applicable)

University of Arizona - Banner Badges:

For compliance reasons, your University of Arizona badge should always be worn over your Banner badge. Your Banner badge is only for access, not identification while in the facility conducting research related duties.

UA IRB Submission Review Times:

UA IRB is experiencing a high volume of submissions right now. The current average time to [HSPP](#) reviewer assignment is approximately 2-3 weeks. As a result, you may notice some delays in response times. Please ensure that you allow sufficient time for review of your submissions.

If your submission is urgent, please contact [UA IRB](#) and they will do their best to prioritize it.

OnCore Data Review & Clean-up:

As a part of our continued efforts to ensure compliance in medical billing, educate and support to our OnCore users, the OnCore Support team has initiated an auditing process to review subject visit logging in OnCore.

This will also include:

- Clean-up of general information
- Stagnant study statuses
- Uploads of required documentation
- Summary Accrual information
- Unlogged Visit Audits

Thank you for working with OnCore Support to protect our subjects and keep your study data updated.

Clinical Trial Audits:

The Clinical Trials Financial team is conducting financial audits for UAHS Clinical Trials. This will provide an opportunity for Financial training for Clinical Trials as well as recovery for missing funds.

For more information please visit our [website](#).

Banner Hospital Billing Update:

May 2024 bills have been reviewed and emails have been sent out to the corresponding UA Departments via UA Box Health. June 2024 invoices will be distributed by the second week of August 2024.

Additional resources available on our [website](#).

OnCore Training

OnCore Trainings in EDGE

This allows OnCore users to complete initial training modules according to their own schedule or retake refresher trainings when needed.

Subject Management Training

Sessions will be conducted twice a month via zoom. Please check the website for more information.

Land Acknowledgment

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O'odham and the Yaqui. Committed to diversity and inclusion, the University strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
