Announcements

OnCore UAHS RA Sign-off Workflow Change:

Research Administration is updating the OnCore UAHS RA Sign-off workflow to have study calendars built upon Coverage Analysis (CA) completion.

This will allow for study teams to validate calendars earlier in the process, so calendars are ready to use once a study is open to accrual.

Requirements for OnCore UAHS RA Sign-off include:

- IRB approval
- Final ICF upload
- ICF Congruency Review may take 3 business days. Please submit to crc@arizona.edu as soon as IRB approved.
- Fully executed contract (as applicable)
- Budget (as applicable)

If you have any questions, please contact OnCoreSupport@arizona.edu.

OnCore Data Review & Clean-up:

As a part of our continued efforts to ensure compliance in medical billing, educate and support to our OnCore users, the OnCore Support team has initiated an auditing process to review subject visit logging in OnCore.

This will also include:

- Clean-up of general information
- Stagnant study statuses
- Uploads of required documentation
- Summary Accrual information
- Unlogged Visit Audits

Thank you for working with OnCore Support to protect our subjects and keep your study data updated.

Banner Hospital Billing Update:

July 2024 bills have been reviewed and emails have been sent out to the corresponding UA Departments via UA Box Health. August 2024 invoices will be distributed by the second week of October 2024.
