Clinical Trials provides support to Investigators, Research Nurses, and Study Staff at the Colleges of Medicine (Tucson & Phoenix), Pharmacy, Nursing, and Public Health. Our team of experienced and knowledgeable Research Administrators and Coordinators can assist you with all aspects of Clinical Trials from feasibility through closure!

Click here for a checklist and more information about approvals you may need to initiate your project, and check out the Coordinator Corner for additional resources and tools!

Announcements

New Research Intake Application (RIA) Project Submission Portal - COMING AUGUST 2023:

UAHS Research Administration will be launching a “new and improved” RIA submission portal for UAHS research projects including:

- New Study Submission / Feasibility Resubmission
- Study Amendments
- Retrospective Chart Review (RCR) / Clinical Research Data Warehouse (CRDW) Request
- Contracts
- Educational Agreement

This internal portal will continue to serve as a single point of entry for our workflows and will enhance efficiency and transparency in monitoring project status(es), as well as capturing essential details for metrics and reporting purposes.
We will schedule group and/or individual overview/training sessions, once we have a definitive date for launching the new submission portal! Stay tuned!!

**OnCore Training in EDGE - COMING AUGUST 2023**

Please see below.

**Audits:**

*If your study team is contacted for any type of audit (sponsor, FDA, Banner, financial, etc.), the first step would be to contact [Blanca Pernic](mailto:bpernic@arizona.edu).*

Blanca Pernic
Quality Officer
[bpernic@arizona.edu](mailto:bpernic@arizona.edu)
520-621-5196

Blanca is the UA's institutional official that oversees Audit Management.

**Scheduling for PET & MRI Scans:**

*Please be aware of your subject’s study windows if they require a MRI or PET and avoid having a protocol deviation.*

**PET scheduling** for any type of patient, clinical or research, is out **6-7 weeks.** The best advice is for study teams to schedule as far in the future as possible. With the single PET scanner and such a high clinical need, it will be hard for Imaging to guarantee that studies can meet the windows on short notice.

Due to the MRI scanner being replaced at Main Campus (Tucson), the first available appointments for outpatient MRI are in September 2023. North Campus has MRI availability, this is where 80% of outpatients are scheduled.

Please reach out to your designated [BH CRPD](mailto:crpd@arizona.edu) with questions.

**Banner Hospital Billing Update:**

April 2023 bills have been reviewed and emails have been sent out to the corresponding UA Departments via UA Box Health. May 2023 invoices will be be distributed by the second week of July 2023.

OnCore Training

OnCore Training in EDGE - COMING IN AUGUST

We are happy to announce that the Introduction to OnCore and Calendar Validations training will be launching training modules in EDGE at the end of July!

This will allow OnCore users to complete initial training modules according to their own schedule or retake refresher training when needed.

We will update our website when the EDGE modules are live and ready to use!

Subject Management training will continue to be in person, due to the in-depth training. The required EDGE learning modules will need to be completed prior to attending Subject Management training.

Clinical Research Professional Meeting

Wednesday, August 16
12:00 p.m. to 1:30 p.m.

Are you new to the University of Arizona Health Sciences (UAHS) research community and would like to keep up with the ever-evolving changes in UAHS research?
Please join us for our Bi-Monthly CRP meeting.

**Where:**
Zoom

Join Zoom Meeting:
https://arizona.zoom.us/j/81488925948

Email [here](mailto:here) if there are specific topics you would like covered at upcoming meetings.

**Calendar Updates**

**JULY 11**
**OnCore Introduction to OnCore and Calendar Validations Training**
In-Person Location: TBA
1:00 pm - 3:30 pm

**JULY 12**
**OnCore Subject Management Training**
In-Person Location: TBA
1:00 pm - 5:00 pm

**JULY 13**
**OnCore Regulatory Training**
Location: Zoom
2:00 pm - 4:00 pm

**AUG**
**OnCore Introduction to OnCore and Calendar Validations Training**
Edge Learning - COMING AUGUST 2023

**AUG 9**
**OnCore Subject Management Training**
In-Person Location: TBA
1:00 pm - 5:00 pm

**AUG 10**
**OnCore Regulatory Training**
Clinical Research Professionals Meeting

Location: Zoom
2:00 pm - 4:00 pm

OCT 19

Land Acknowledgment

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O’odham and the Yaqui. Committed to diversity and inclusion, the University strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
