Announcements

eRegulatory Binder Management (eReg):
eReg provides integrated protocol, staff and institution documentation to streamline regulatory process and enhance compliance. eReg moves key regulatory asks to the systems level- instead of the protocol level- eliminates redundant workflows, boosts compliance and saves valuable staff time. Combined with 21 CFR Part 11-compliant electronic signatures for protocol documents, delegation of authority, and more, the system significantly reduces the regulatory burden for your staff! The begin using eReg please visit our website or contact us here!

Free CRP Classes:
Sarver Heart Center is offering FREE CPR classes! To register click here or you can contact Sarver Heart Center for more information.
