Clinical Trials provides support to Investigators, Research Nurses, and Study Staff at the Colleges of Medicine (Tucson & Phoenix), Pharmacy, Nursing, and Public Health. Our team of experienced and knowledgeable Research Administrators and Coordinators can assist you with all aspects of Clinical Trials from feasibility through closure!

Click here for a checklist and more information about approvals you may need to initiate your project, and check out the Coordinator Corner for additional resources and tools!

Land Acknowledgment

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O’odham and the Yaqui. Committed to diversity and inclusion, the University strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
